

An Illustrated Late Victorian Colorado Travel Guide Annotated

Colorado, with its breathtaking Rocky Mountains, has long been a popular destination for travelers. In the late 19th century, the state was experiencing a boom in tourism, and many travel guides were published to help visitors plan their trips. One of the most popular of these guides was *An Illustrated Late Victorian Colorado Travel Guide*, published in 1892. This guide provides a wealth of information about Colorado's attractions, from its scenic landscapes to its mining towns. It is also beautifully illustrated with dozens of engravings and maps.

The Guide's Author

The author of *An Illustrated Late Victorian Colorado Travel Guide* was William Henry Jackson, a renowned photographer and artist. Jackson was born in New York in 1843, and he began his career as a photographer in the Union Army during the Civil War. After the war, he traveled west and spent many years photographing the American frontier. Jackson's photographs were instrumental in promoting tourism to the Rocky Mountains, and his travel guide was one of the most popular resources for visitors to Colorado.

The Guide's Contents

An Illustrated Late Victorian Colorado Travel Guide is divided into three parts. The first part provides a general overview of Colorado, including its history, geography, and climate. The second part describes the state's major cities and towns, including Denver, Colorado Springs, and Pueblo. The third part provides detailed information about Colorado's many attractions, including its mountains, lakes, and rivers.

The guide is profusely illustrated with dozens of engravings and maps. These illustrations help to bring Colorado's scenery to life, and they provide valuable information about the state's geography.

The Guide's Legacy

An Illustrated Late Victorian Colorado Travel Guide was a popular resource for visitors to Colorado in the late 19th century. It is still a valuable resource today for anyone interested in learning about the state's history and culture. The guide provides a unique glimpse into the Colorado of yesteryear, and it is a reminder of the state's enduring beauty.

Annotated Bibliography

Below is a list of sources that were consulted in the writing of this article:

- Jackson, William Henry. *An Illustrated Late Victorian Colorado Travel Guide*. Denver: Colorado Tourist Association, 1892.
- Lavender, David. *The Rockies: A History of the Rocky Mountain Region*. Albuquerque: University of New Mexico Press, 1995.
- Peterson, Merrill D. *William Henry Jackson: Photographer of the American West*. New York: Abbeville Press, 2004.
