In her new memoir, 'Cack-Handed', comedian Gina Yashere takes readers on a hilarious and deeply personal journey of self-discovery. Yashere, who is black and British, has always felt like an outsider. She grew up in a white neighborhood and was often the only black person in her class. As a result, she developed a sense of humor as a way to cope with her feelings of isolation and difference.

In 'Cack-Handed', Yashere shares stories from her childhood, her early career as a comedian, and her experiences as a black woman in the UK and the US. She writes about the racism she has faced, both overt and subtle, and the challenges of finding her place in a world that often doesn't seem to understand her.

But 'Cack-Handed' is not just a story about race and identity. It is also a story about self-acceptance and finding your own voice. Yashere writes with honesty and humor about her struggles with self-esteem and her journey to finding her own unique path in life.

Ultimately, 'Cack-Handed' is a celebration of the human spirit. It is a story about overcoming adversity, finding your own voice, and living your life on your own terms. Yashere's memoir is a must-read for anyone who has ever

felt like an outsider, and for anyone who has ever struggled to find their place in the world.

## **A Closer Look at 'Cack-Handed'**

In 'Cack-Handed', Yashere explores a wide range of topics, including:

- Race and identity
